

# Friends of the Old Bega Hospital Newsletter

## **Help needed to sell raffle tickets**

The Friends of the Old Bega Hospital are having a raffle to raise awareness and funds, and have a bit of fun. The prize is a \$5,000 travel voucher from Flight Centre. The raffle is being drawn on 11 December.

So between now and 11 December we need to sell a lot of tickets: over a thousand just to break even, and a couple of thousand if we are going to make money. Tickets are \$5 each or 5 for \$20. Many people seem to be happy to buy 5 for \$20.

We have permission from Council to sell tickets on the street in Bega and in Tathra. We couldn't get a spot in the Sapphire marketplace in Bega. We also hope to sell them in other centres between Eden and Bermagui.

To do that, we need help. We will provide training and support as required - no experience necessary; and we have public liability insurance cover too.

Can you help to sell tickets? All offers will be gratefully received!

Contact the Friends treasurer, John Reynolds, on **xxxx xxx xxx**. Also contact John if you want to buy some tickets or are happy to sell them through your networks.

Many thanks

*Richard Bomford*
