Dear Mr Bomford

Thank you for your email of 15 September and sharing your draft application to the NSW Regional Cultural Fund.

The Department of Industry – Crown Lands & Water (the department) acknowledges the efforts and commitment of the Old Bega Hospital Reserve Land Manger (land manager) in carrying out their responsibilities of care, control and management of this important Crown Land site.

As you would be aware, the land manager and department has been in extensive correspondence regarding the future of the site since the fire of 2004 and that the department has provided a number of small funding packages to allow minor works to be completed.

The department is unable to commit any funding to the restoration of the site at this time and therefore has no objection to the land manager submitting an application for funding through the NSW Regional Cultural Fund.

We look forward to hearing the outcome of your application and continuing to work with you.

Best regards

Ben Tax
