Letter of offer for financial assistance – pre-deed

The NSW Department of Trade and Investment, Regional Infrastructure and Services (NSW Trade & Investment) is pleased to offer Friends of Old Bega Hospital financial assistance towards the roof replacement component of the Old Bega Hospital Restoration Project at Bega.

NSW Trade & Investment is offering a performance based package of up to \$500,000 (ex GST) towards the project outlined in the Friends of Old Bega Hospital request for assistance. Approval of this funding is conditional on Friends of Old Bega Hospital securing funding from other sources, including the Commonwealth, to undertake the full restoration project with an estimated value of \$2.24 million.

This offer of financial assistance is subject to agreement being reached between Friends of Old Bega Hospital and NSW Trade & Investment on the public announcement of the project and the State Government's role in any official launch of the project.

The structure of the assistance will be in the form of progress payments against mutually agreed milestones.

To accept the offer, please return a copy of this letter with the attached statement signed to Chris Hanger, Director, Office of Regional Development, at the address below by 17 March 2015.

If you accept this offer, a draft funding deed will be sent to you. The terms of the funding deed must be agreed and signed by both parties by 30 April 2015 or the offer may be withdrawn.

Should you wish to discuss any aspect of this offer, please contact Megan Cleary, Business Development Manager at the Nowra office on (02) 4428 9126.

The Department looks forward to working closely with your organisation in the future to facilitate the project.

Yours sincerely
