Michael

The Trust met in a special meeting on Tuesday, 20 February, to discuss the tender results.

It was the decision of the Trust that the tender quote and attached conditions supplied by TRINDER ALPINE CONSTRUCTIONS PTY LTD are acceptable and sufficient for us to proceed to the next phase of the reconstruction process. Further, that no additional approaches to other construction companies need be pursued.

We appreciate your contribution and will advise you of our immediate plans and progress.

Jay Ellard, OBHRT
