Dear Sir

RE: Old Bega Hospital - Selective Demolition after Damage by Fire

Upon the request of the committee of the Old Bega Hospital we are pleased to advise that your quotation (29/04/05 for \$41,800.00 plus GST) for the selective demolition of the building as per the amended specification of 4 March 2005 has been accepted.

We have been advised by the committee that the Dept. Lands have made the funds available; the committee are therefore keen for your most immediate start.

Could you please advise of your desired starting date and make sure that all relevant insurances and licenses required for this type of work be current at all times during the progress of the demolition.

To gain access to the site please contact Ms Shirley Taylor ph 6492 2772 ah.

Yours faithfully
Andrew Marshman & Associates Pty Ltd
