

Robert van der Plaat <trinder@acr.net.au>
Our revised quotation for Old Bega Hospital roof replacement
23 September 2014 5:36 PM

Date 23 September 2014
To Old Bega Hospital Trust
Att. Jay Ellard
From Robert van der Plaat
Subject New Roof Construction to Old Bega Hospital building

Dear Jay

As requested please find our upgraded quotation for the work at the above named project

Indeed in our original quotation dated 16/02/2007 we had included the ceiling Lining and sisalation under the roof iron, we have now deducted the amount for this work and replaced it with R1.5 Insulation blanket as stated in your request dated 13 September 2014

Our New amount for the work is \$398,510.00
GST 39,851.00
Total amount \$438,361.00

Please note
We have not altered the PC sum for the making good of the existing brickwork from our previous quotation dated 25/10/2012 and left it at \$45,000.00

This upgrade take in consideration the increase of Building Cost, Materials and the cost of the current OH&S requirement and safety measures

No allowance included for the Cleaning of the site and grubbing of the Scrubs, I noted that the Consultant allowed the sum of \$ 4,000.00 for this work if you need to use this figure you have to add it to this pricing

We trust this is what you require for your next finance Siubmission, Please contact us if you have any further questions

Yours Faithfully

Arno L van der Plaat for
